None of the marriages performed in the counties of Virginia since December 12 are valid because of a law enacted that date which provided that all marriage licenses would be issued by the clerk of the circuit court provided by the new constitution. In ignorance of this law, the county clerks have continued to issue licenses.

Mr. Hugh Thompson and Miss Lela Alcott, well-known and popular young people of Iowa, Case county, drove to Danville last week and were married at the residence of Elder H. C. Garrison. While the wedding was not an event it will come in the nature of a pleasant surprise to the many friends of the principals. The bride is the youngest daughter of Mr. and Mrs. J. F. Alcott and is one of the finest young women in every particular in all this county. She is noted for her sweet and amiable disposition. Mr. Thompson is a prominent young farmer and is in every way worthy of the prize he has won. Mr. and Mrs. Thompson will leave in a few days for a short bridal tour South, after which they will return and make their home here. May happiness and prosperity attend them.

DO NOT DOSE THE STOMACH.

Care Catarrh by Nature's Own Method—Every Breath of Hyomel Brings Relief.

Nearly every one who has catarrh knows how foolish it is to try and cure it by drugging the stomach. Temporary relief may be given, but a cure seldom comes.

Until recently your physician would have said the only way to cure catarrh would be to have a change of climate; but now with Hyomel you can carry a health giving climate in your vest pocket and by breathing it a few minutes four times a day soon cure yourself.

The complete Hyomel outfit costs but \$1.00 and consists of an inhaler that can be carried in the vest pocket, a medicine dropper and a bottle of Hyomel. The inhaler lasts a life time, and if one bottle does not cure, an extra bottle of Hyomel can be obtained for 50 cents. It is the most economical of all remedies advertised for the cure of catarrh, and is the only one that follows nature in her method of treating diseases of the respiratory organs.

G. I. Penny has sold a great many Hyomel outfits and the more he sells the more convinced he is that he is perfectly safe in guaranteeing to refund the money if Hyomel does not cure.

John B. Chenaunt, State Insurance Commissioner, and his brother-in-law, Nelson Gay, of Clark, have purchased a well-stocked and improved farm in Virginia containing 2,100 acres for \$25,000. Mr. Chenaunt will remove to Virginia after the expiration of his term of office.

A Frightened Horse

Running like mad down the street dashing the occupants, or a 100 other accidents, are every day occurrences. It behooves everybody to have a reliable Selve handy and there's none as good as Bucklen's Arnica Salve. Burns, Cuts, Sores, Eczema and Piles disappear quickly under its soothing effect. 25c. by all Druggists.

The year book of the Carnegie Institution will show assets of \$10,101,500 and a balance in the treasury on Nov. 1st of \$445,472.

The annual meeting of the Beaver Creek Oil & Gas Co. was held here on Tuesday and a full report of the year's business was made by Secretary S. M. Owens, which met the hearty approval of the officers present. The old officers were re-elected except George I. Penny was elected in place of P. W. Grinstead on the board of directors. The board will meet here the last of the week.

Dr. Earl Wheeler, who has charge of the Lexington Hospital and a member of the board of health of that city, was home with "Uncle Foddy" and "Aunt Foddy" for Christmas dinner. Too much "foddy" to stay longer. Miss Julia Stagg, of the College corps, is with old friends in Liberty. D. H. Skinner is waiting for more propitious weather for his business before returning to Sotega.

About 2:30 A. M., Dec. 29th, John S. Goode passed into the great beyond. Complaining to his loving wife after supper of a pain in his head, he retired about 8 o'clock and in a few moments was sleeping soundly. About 2 o'clock he changed his position and breathing unusually hard, awoke his wife, who called him and failing to get a reply from her third call, she jumped quickly to his side with that tenderness born only of a loving and faithful wife whose heart, soul and mind had been wrapped in his existence, to find that his spirit without a struggle had flown. His generous sympathies for his friends, and they were legion, reached far beyond the confines of the ordinary man. When he was your friend you knew it. He would never forsake a friend in sorrow. When adversity loads with miseries and wretchedness is complete, his friendship held the closer. A large concourse of sorrowing friends attended the funeral and burial here Wednesday at 2 P. M.

Found a Cure for Indigestion.

LANCASTER.

The water works are about completed. The lake is holding perfectly. Ten feet of water is in it although very little rain has fallen.

The court day crowd, while not large brought considerable trade to town on Monday. Related Christmas buyers constituted the main purchasers. Little stock trading was done.

Mr. R. H. Bateson, long a citizen of this place, is preparing to make an extended visit to the West. He will leave in February for Indian Territory and it is probable he will locate there.

Trade for two weeks before Christmas was very good. Almost all the merchants carrying holiday goods have sold completely out and some will have to order more goods to carry in stock during the ensuing year.

Miss Margaret Kinnaird entertained Monday evening. She is a petite beauty just coming into Lancaster society, but she entertained in the graceful and altogether charming way. Many were her guests and all were delighted. Gaily entertained.

Thursday evening was the Xmas hop, an annual entertainment given by the railroad young gentlemen of Lancaster. The music was delightful, the ladies lovely; this and the gallantry of the gentlemen made the occasion all that it should have been.

Weddings are the order of the day—Rev. F. M. Tinder having performed two this week—at Buckeye Tuesday Chas. Sanders and Miss Mollie Ray, and at his home Thursday he united James Henderson and Miss Carrie Gastineau, all of this county.

The Milk Mails Convention was a success in every way. The house was filled with well dressed people, and the young ladies taking part in the convention looked very beautiful in their costumes. The test of the water works, which has been looked forward to with interest by our citizens was made Wednesday. It was eminently satisfactory. It was shown that a pressure of 80 pounds lifted a stream to the top of, and over, the three story bank. Later a pressure of 150 pounds was made, the stream going over the court house 1,000 feet of hose has been ordered. This will cost 70c per foot and then Lancaster will be safe from the fire flood. It was found that in all the piping only two small leaks existed. This is remarkable thing, as it is natural for them to occur to the laylog of so much pipe. The water in the lake is clear and sparkling and all things considered the water works are more than satisfactory so far.

BISHOP LUDDIN, of the Catholic Diocese at Syracuse, N. Y., most vigorously condemns the teaching of the Santa Claus night to children. But as the old fellow doubtless never had any children and never enjoyed the delight that a parent feels in witnessing the joy of their offspring on a Christmas morning after a visit from Santa Claus, he is not the proper person to give advice on the subject. There is nothing much sweeter to life than the Santa Claus delusion and he is almost a friend who would deny children the pleasure of it.

In an interview while he was visiting Louisville friends Perry Heath, secretary of the national republican committee, said it was President McKinley's last wish and his conviction that Marcus A. Hanna should and would succeed him as President. Mr. Heath said further in effect that, while Mr. Hanna did not seek the office of President, he would accept the nomination and that his business interests were such now that he could accept any governmental position.

We are confident that Mr. A. C. Dunn, of this county, will be elected door-keeper of the House at Frankfort and if there is a man in the State who is deserving of reward it is Mr. Dunn. He has always been a hard worker for his party and the lamented Goebel and Gov. Beckham had no warmer supporters than he. It is the first time that Mr. Dunn has ever offered for office and we sincerely hope his ambition will be realized.

LINCOLN county has not furnished a democratic Congressman since 1829. Is there any wonder that Hon. Harvey Helm's friends are anxious to see him nominated? It is Lincoln county's time, she offers the right kind of timber and by the eternal her entry is going to win.

THERE is an easier feeling among American people generally, the world moves more smoothly and even the cold winter breezes are softer since Dowle, the self-styled Elijah 2nd, has shaken the dust from his feet and departed for Australia. There let him stay.

NEW YEAR GREETING!

To my Friends, Customers and Acquaintances. I wish you all a Happy, Fruitful New Year; a year of plenty and a year as free as possible from disappointment and trouble. I wish you all this and more, and why shouldn't I? You have been loyal to me and again have made the past year a very prosperous one, for which I know I am grateful and shall try to show my gratitude by courteous treatment to all. I shall do my utmost this year to please you and still merit your confidence. Once more I extend to you all an invitation to make my place of business your home when in town. I keep a good fire in Winter; ice water, Winter and Summer. Writing paper, postal cards and stamps every day in the year, all of which is as free to my friends as the wind that blows. H. J. TOTTEN.—Mrs. James L. Totten died at her home of pneumonia and heart trouble Monday night. She had been sick only a week and was conscious up to the time of her death. She told where she wanted to be buried, who should preach her funeral and named the undertaker she wanted. Mrs. Totten was a Miss Bryan and had lived in this county most of her life. She was a devoted member of the Christian church and a devout Christian. Besides the grief-stricken husband, three daughters, a son and an aged mother are left to mourn her loss. The burial occurred in Buffalo cemetery at 3 o'clock Tuesday afternoon after services at the grave by Rev. J. W. Haglo. A good wife, a fond mother and an obedient daughter has gone to her reward; may those who weep soon realize that their loss is her eternal gain.

SEVERANCE & SONS.—This well-known and popular firm will branch out considerably about Feb. 1st, or sooner. The store-room now occupied by the Grand Leader has been leased for a term of years by them and they will greatly increase each of the many lines of goods carried. Mr. Will Severance, the head of the firm, will look after the entire business but his headquarters will be in the new store-room, where a fine grade of goods will be exhibited. Mr. Thomas D. Raney will have charge of the present store, where he will be ably assisted by efficient salesladies. Mr. Raney is one of the most popular salesmen in this section and he and Mr. Will Severance make a team that is hard to beat. This popular firm will add a big line of carpets, matting, etc., and the up stairs over the new store will be a most excellent place to show them. For many years Severance & Sons have enjoyed the confidence of the public and a liberal patronage as well and they will make a bigger bid for it during the year just begun than ever. Keep your eye on their "ad" in this paper and it will be time well spent.

J. M. ALVERSON, democratic Representative elect from Lincoln county, was at the Grand yesterday. Asked the significance of his visit in Cincinnati, Mr. Alverson said: "I am here to meet some friends who are interested in the candidacy of Aurelius C. Dunn, of Lincoln, for doorkeeper of the Kentucky House of Representatives. And what do I think of his chances? He will win out sure. What about the race for the democratic nomination for Congress in our district? The race seems to be made up between Harvey Helm, of Lincoln county; incumbent Congressman G. G. Gilbert, of Shelby, and Colonel Dan L. Miron, of Mercer. Mr. Helm I believe is a sure winner. He is one of the best politicians in the State, able, alert and always active in party work, and when it comes to mingling with the masses he is a twin brother to Senator James B. McCreary. He will show his mettle in the race, and if he is elected to Congress will not disappoint the expectations of his constituents, for he is eloquent, of commanding presence and a Chesterfield in address. In the race for the nomination I think it will be Helm first and the rest also ran." Mr. Alverson is connected with the INTERIOR JOURNAL, published at Stanford, one of the most influential papers in Central Kentucky.—Cincinnati Enquirer.

PLEASE return our wire stretchers at once. Higgle & McKinney.

THE first snow of the season fell six weeks ago last Sunday night and more or less of the beautiful has covered mother earth since.

THE Christmas tree was certainly a thing of beauty and the 500 or more presents on it carried joy to many hearts. Ed Wilkinson made a fine Santa Claus. The Christian church was packed with the liveliest crowd seen in years.

THE Odd Fellows elected the following officers Tuesday night: W. H. Rigdon, Noble Grand; John Underwood, Vice Grand; Ed Wilkinson, Secretary; J. T. Harris, Treasurer. The Macca-bees elected John M. Stone, Commander; H. C. Wray, Lieut. Commander; John Engleman, Sergeant; A. C. Sine, Record Keeper.

OUR Ottemheim letter says that a German named Ollice shot and killed John Cummins and badly wounded William Todd, but as no arrests have been made we think there must be a mistake about the matter. The trouble is said to have occurred in the Soper section back of Ottemheim, where there is no telephone connection.

THE First National and Lincoln County National Banks, of this place, had not held their meetings when we went to press, but we were reliably informed that each institution would declare the usual three per cent semi-annual dividend. The Hustonville National declared 5 per cent, and the Crab Orchard Banking Co. will declare three per cent.

CASWELL SAUFLEY, youngest son of Judge M. C. Saufley, of this place, received an appointment to the Naval Academy at Annapolis as a Christmas present from Congressman G. G. Gilbert. He will stand the examination in March. Mr. Saufley is a fine young man, a hard student and that he will make his mark some day, none who know him well have a doubt. He is a chip off the old block and not only does he resemble his father in brilliancy but in appearance.

OUR Hustonville letter tells of the death of Mr. John S. Goode, one of the most substantial citizens of the West End. No one in his section did more for the upbuilding of Hustonville than did Mr. Goode and none there were who loved the old place better. He was a pillar of the town, so to speak, and his death has caused a vacancy that will indeed be hard to fill. A loving wife, but no children survive, and in her sorrow she weeps not alone. May He who doeth all things well comfort the widow in her terrible affliction.

enjoyed immensely by both old and

CHURCH MATTERS.

Rev. Father George Deshon, head of
the Order of Paulist Fathers in New
York, is dead.

A religious play was substituted for
the regular Sunday night sermon in a
German Lutheran church in Baltimore.

Of the 7,704 Northern Presbyterian
churches, 1,100 are pastorless and 400
report little prospect of securing a pas-
tor.

Last year the American Bible Socie-
ty printed 2,000,000 Bibles and portions
of Scriptures, one for every 70 people
on earth.

The Christian Church Sunday morn-
ing called the Rev. L. R. Colders, of
Troy, Mo., as their pastor, and he will
preach his first sermon next Sunday.

Winchester churches lead in mission
work; the Christian church and the
Presbyterian church each support a
missionary. The Baptist church gives
largely to all causes.

Congratulations.

Mr. John H. Collum, editor of the Gar-
land, Texas, News, has written a letter of
congratulations to the manufacturers of
Chamberlain's Cough Remedy as follows:
"Sixteen years ago when our first child
was a baby he was subject to croupy
spells and we would be very uneasy about
him. We began using Chamberlain's
Cough Remedy in 1887, and finding it
such a reliable remedy for colds and
croup, we have never been without it in
the house since that time. We have five
children and have given it to all of them
with good results. One good feature of
this remedy is that it is not disagreeable
to take and our babies really like it. An-
other is that it is not dangerous, and there
is no risk from giving an overdose. I
congratulate you upon the success of your
remedy." For sale by W. N. Craig.

The Christmas tree and entertain-
ment given by the Goshen school chil-

casion, although very inclement
weather. The church was nearly fill-
ed with an enthusiastic and apprecia-
tive audience. The program was full
of merriment and thoroughly enjoya-
ble and was a delightful treat to all
who saw it. The tree, decorated with
artistic skill, was loaded with beau-
tiful presents and many were hanked up
under it. It could easily have been
voted the most enjoyable occasion ever
had at Goshen. The teacher, Miss
Maud Spainhower, deserves especial
praise for the unqualified success of the
school.
